LETTER OF APPRECIATION

1. The Static Workshop, Mhow, Indore places on record its sincere appreciation for the outstanding professionalism, technical competence, and dedication demonstrated by **M/s Drones Tech lab, a brand owned by Rchobbytech Solutions Pvt. Ltd.** during the development, training, demonstration, and acceptance of the Pinaka FPV Kami-kaze Drone system as part of IR & D project.
2. The successful development of Twelve (12) Pinaka FPV Kami-kaze Drones, comprehensive FPV training (from basics to advanced, warfare-ready operations), simulator setup, hands-on assembly and configuration, live FPV flying, and thorough testing reflect a high standard of indigenous engineering capability and operational commitment. The structured training approach ensured effective skill transfer, with unit personnel assembling and operating the drones under expert supervision.
3. Special appreciation is extended for the successful operational and kami-kaze flight demonstration of the Pinaka FPV Drone system conducted at Mhow in the presence of the Chief of Army Staff, General Upendra Dwivedi, PVSM, AVSM, during his visit on 10 December, 2025. The demonstration showcased the system's reliability, precision, and mission effectiveness and was well received at the highest level.
4. The commendable contributions of the following personnel from Rchobbytech Solutions Private Limited are specifically acknowledged:
 - 4.1. **Mr. Aditya Biswas** - Mechanical Design Engineer
 - 4.2. **Mr. Prithwish Ray Chaudhuri** - Embedded Hardware Engineer
 - 4.2. **Mr. Pratyush De** - Embedded Firmware Engineer
 - 4.4. **Mr. Sumit Gumtya** - FPV Integration and Flight Engineer
 - 4.5. **Mr. Subhasish Nath** - Program Director
 - 4.6. **Mr. Biswajit Dey** - Director & Co-founder

5. The team exhibited excellent coordination across mechanical design, embedded hardware and firmware development, FPV integration, flight testing and on-ground training, along with exemplary professional conduct and responsiveness.
6. The Static Workshop, Mhow, Indore, appreciates the mission-oriented approach and indigenous technological contribution of Rchobbytech Solutions Private Limited and conveys best wishes for their continued efforts in strengthening national defence capabilities.

With profound Regards

Yours Sincerely

Pranhar
