Building, Theory, and Cost Insights*

CERTIFICATE OF APPRECIATION

This certificate is proudly presented to

Prithwish Ray Chaudhuri

Junior Embedded Systems Engineer | Drones Tech Lab

Has made an extraordinary work as the **Speaker** of the Seminar in the event 'From Frugal Flyers to High-End Hovers: Drone Building, Theory, and Cost Insights', organized by Flyers Club (Aeronautics), Heritage Institute of Technology, Kolkata, on Tuesday, 3rd September 2024 and has been accepted by the wider student community of Engineering. We give this award certificate with great gratitude and hopefully it will be a motivation.
